ABOUT ME:

With a background in the fine arts, I am looking for a role to develop my skills in digital illustration, color theory, and composition. I am eager to contribute my skills in creating impactful illustrations and layouts.

EXPERIENCE:

Freelance Digital Artist | June '19 - Present

- Collaborates with authors to bring their story to life, from concept to published product
- Provides suite of promotional materials for book releases
- Created commercial artwork and promotional animation for food product

Independent Studies | 2020 - Present

Completed master classes in visual storytelling, gaining foundational knowledge of art theory, including:

- Portrait as Story, by Greg Manchess
- Story Driven Illustration, by Djamila Knopf
- Environment Design, by Nathan Fawkes
- Painting with Light and Color, by Dice Tsutsumi
- Digital Painting, by Bobby Chiu
- Gesture Drawing, by Alex Woo
- Comic Covers, Book Covers & Dynamic Storytelling, by Scott Fischer and Greg Manchess
- Book Illustration, by Marie-Alice Harel
- Gaming Illustration & Character Design, by Winona Nelson
